In an answer to the Western Sahara conflict, the Prime Minister affirmed that The Maghreb (Morocco) is in its Sahara and the Sahara in its Maghreb, and that the Kingdom continues to cooperate with the United Nations and its Secretary-General to find a solution to this fabricated conflict, in parallel with continuing economic and social development workshops in the Sahara regions, and that Sahrawis participate in political life of their country.

The Prime Minister of morocco Mr Saad Edin Elothmani confirmed in press statements in Addis Ababa that Morocco is participating in the African summit to contribute to the various issues raised, political, economic, social and cultural, and that this time he will also have the honor to present the report of His Majesty on immigration.
